## INFORMATION DIRECTORY AND BUYER'S GUIDE

The Wisconsin Potato & Vegetable Growers Association is pleased to present you with the 2020 edition of the WPVGA Information Directory/Buyer's Guide.

This publication is being provided free of charge to all grower members of the WPVGA, as well as to all Associate Division members. It contains a legislative directory for the Wisconsin Senate and Assembly, as well as the Wisconsin members of the United States Congress. It also includes a University of Wisconsin potato research directory, a Wisconsin Department of Agriculture, Trade and Consumer Protection directory, a Wisconsin DNR directory, other ag-related directory information, and a buyer's guide of suppliers and service organizations listed by category. It provides all the current Board of Directors listings.

The WPVGA Information Directory/Buyer's Guide is a valuable source of information designed to be kept as a convenient reference guide for growers and others involved in the potato and vegetable industry. It was produced in an effort to help you find the businesses, individuals and organizations that can help you manage your operation.

Once again, the WPVGA is pleased to provide you with this service. If you have any questions or comments about this publication, feel free to contact the WPVGA at 715-623-7683.
