INFORMATION DIRECTORY AND BUYER'S GUIDE

The Wisconsin Potato & Vegetable Growers Association (WPVGA) is proud to present you with the 2025 annual edition of the Information Directory & Buyer's Guide.

This publication is being provided free of charge to all grower members of the WPVGA, as well as to every Associate Division member. It includes all current Board of Directors listings, a legislative directory for the Wisconsin Senate and Assembly, as well as the Wisconsin members of the United States Congress. It also features a University of Wisconsin Potato Research directory, a Wisconsin Department of Agriculture, Trade and Consumer Protection directory, a Wisconsin DNR directory, other ag-related directory information, and of course, an updated Associate Division Members directory and a complete Buyer's Guide of suppliers and service providers listed by category.

The WPVGA Information Directory & Buyer's Guide is a valuable source of information designed to be kept as a convenient reference guide for growers and others involved in the potato and vegetable industry. It was produced to help you find the businesses, individuals and service organizations that can help you manage your operation.

The WPVGA is pleased to carry on this tradition of service. If you have any questions or comments about the 2025 Buyer's Guide, please contact the WPVGA at 715-623-7683.
