

STRONG ROOTS, GROWING FUTURES.

PLANTING THE FUTURE of Wisconsin Agriculture

Wisconsin agriculture runs deep. It's in the early mornings, the hard work, and the families who have tended this land for generations. The WPVGA Associate Division Scholarship Fund was created to honor that legacy.

The purpose is simple: to cultivate and support the next generation of leaders within Wisconsin's potato and vegetable industry, while strengthening our workforce, inspiring innovation, and preserving the future of an industry that feeds families, supports communities, and drives Wisconsin's economy.

The Wisconsin Potato and Vegetable Growers Association (WPVGA) and the Community Foundation of Central Wisconsin (CFCWI) have joined together to establish something enduring: a scholarship fund designed not just for today's students, but for every future generation of Wisconsin's agricultural leaders.

TO ESTABLISH THE

Through the Community Foundation's long-term endowment management, every dollar given to this fund is put to work to grow over time, generating scholarship awards year after year, and ensuring that the investment Wisconsin's ag community makes today continues to pay forward for decades to come.

**TOGETHER, WE CAN PLANT THE SEED
FOR WHAT COMES NEXT.**

**EVERY CONTRIBUTION
PLANTS A SEED.
EVERY SCHOLARSHIP
GROWS THE FUTURE.**

The WPVGA Associate Division Board has pledged \$15,000 in matching funds to help launch the endowment and inspire additional giving. Contributions made during this initial campaign will be matched dollar-for-dollar until the full match is achieved, allowing every gift to make twice the impact as we invest in the next generation of leaders in Wisconsin's potato and vegetable industry.

 INVESTING IN TOMORROW  STRENGTHENING AGRICULTURE  GROWING LEADERS

MORE THAN A SCHOLARSHIP. AN INVESTMENT IN OUR INDUSTRY.

HOW TO GIVE

CFCWI accepts gifts in many forms, so you can give in the way that works best for you.

Cash – Give by check, credit card, or set up a recurring gift.

Publicly Traded Securities – Contributions of stock, bonds, or mutual fund shares are a tax-advantaged way to give. Benefits include an immediate charitable deduction for the full fair market value of donated assets, exemption from capital gains tax on appreciation, and a deduction of up to 30% of your adjusted gross income.

RMD/QCD – If you are age 70½ or older, you can make a gift directly from your IRA either as a Qualified Charitable Distribution (QCD) or Required Minimum Distribution (RMD). A simple and tax-smart way to support the scholarship fund while satisfying your annual distribution requirement.
